

Institutional Financial Aid, Scholarships & Bursar Governance Policies AY 2025-2026

Office of Financial Aid & Student Welfare | Endowments, Government Aid, Loans & Holds

1. Institutional Financial Aid Policy & Statutory Governance Framework

Northgate Institute of Technology is committed to ensuring that no academically qualified student is denied access to engineering education due to financial hardship. The Office of Financial Aid and Student Welfare (OFASW) administers institutional endowments, central and state government scholarships, corporate social responsibility (CSR) fellowships, and emergency student grants under the framework enacted by the Board of Governors (Financial Aid Governance Resolution FGR-2024-07) and aligned with guidelines from the Ministry of Education, UGC, and the National Scholarship Portal (NSP — scholarships.gov.in).

All aid decisions are subject to annual audit by the University's Internal Audit Department and certified by the statutory auditor. Income verification is conducted against income tax returns (Form 16/ITR-1), revenue department income certificates, and Aadhaar-linked bank account verification through the NSP's Aadhaar-based payment infrastructure. No aid disbursement is made without successful verification.

2. Merit-Based Institutional Fellowship Programs

- **Presidential Merit Fellowship (PMF):** Full tuition waiver (100%) plus a monthly living stipend of Rs. 6,000 for undergraduate scholars admitted within the top 500 rank in JEE Advanced or the top 1,000 rank in state engineering entrance examinations. Renewal requires a cumulative CGPA ≥ 9.00 maintained at the end of each even semester, with zero academic backlogs. PMF is revoked if CGPA drops below 8.50 in any semester and is reinstated only after CGPA recovery above the threshold.
- **Dean's Engineering Excellence Scholarship (DEES):** 50% tuition waiver awarded annually to the top 5% of students by CGPA within each engineering department (minimum threshold: CGPA ≥ 8.50 by the Spring term grade publication date). Evaluated each June. Applicable to both domestic and international admitted students.
- **Women in Technology Leadership Award (WTLA):** Earmarked endowment providing 50% tuition waiver to outstanding female scholars in Computer Science and Data Science who demonstrate exceptional academic performance (CGPA ≥ 8.00) AND documented leadership in technical domains (hackathon wins, open-source contributions, published research). Applications reviewed by the WTLA Committee each semester.
- **Sports Achievement Scholarship (SAS):** Rs. 50,000 per annum for students representing the University at national or international sporting competitions recognized by the Association of Indian Universities (AIU). Subject to Good Standing requirement.
- **Innovation & Entrepreneurship Grant:** Rs. 1,00,000 seed grant (one-time, non-repayable) for students with SIIC-registered ventures demonstrating verified product traction (minimum 500 active users or Rs. 50,000 in revenue). Disbursed upon SIIC Advisory Board certification.

3. Government Scholarship Schemes: Central & State

- **Central Sector Scheme of Scholarships (CSSS / PM-USP):** Administered by the Ministry of Education through NSP. Supports meritorious students from low-income families (income $<$ Rs. 6 Lakhs/year) who score above the 80th percentile in Class XII state/central board exams. Application opens annually in October on the NSP portal. Students must complete One-Time Registration (OTR) using Aadhaar/AEI.
- **PM-YASASVI Scholarship (Pre-Matric & Post-Matric):** Supports OBC/EBC/DNT category students through the Social Justice & Empowerment Ministry. Post-matric scholarship covers tuition, hostel, and book allowance for eligible engineering students.
- **SC/ST Post-Matric Scholarship:** Full tuition and maintenance allowance for Scheduled Caste and Scheduled Tribe students meeting income and course eligibility criteria under Ministry of Social Justice guidelines.
- **State Minority Scholarship:** State government scholarship for minority community students (Muslim, Christian, Sikh, Buddhist, Jain, Zoroastrian) with household income $<$ Rs. 2.5 Lakhs/year, covering 50% tuition.

4. Need-Based Institutional Aid: EWS Freeship & Equalization Grants

- **Economically Weaker Section (EWS) Freeship:** Full (100%) tuition fee concession for students whose gross annual household income is below Rs. 3,00,000 per annum, verified through certified government revenue authority income certificates and cross-checked against ITR. Partial freeship (75%) available for income between Rs. 3,00,001 and Rs. 4,50,000.

- **Tuition Equalization Grants (TEG):** Need-based grants covering 25–50% of semester tuition for families with annual incomes between Rs. 4,50,001 and Rs. 8,00,000, with further consideration of family obligations (siblings in education, medical expenses, agricultural dependency). Applications undergo holistic socio-economic review.
- **Campus Work-Study Programme (CWSP):** Eligible students may work up to 15 hours per week in campus roles: research lab assistant, library assistant, department student coordinator, canteen quality auditor, or IT help desk support. Hourly stipend: Rs. 80/hour credited monthly to the student's dining and hostel account. CWSP positions are awarded preferentially to students with demonstrated financial need.

5. Emergency Student Welfare Relief Fund (ESWRF)

The ESWRF provides non-repayable emergency grants for students experiencing sudden, unforeseen financial crises — including loss of the primary family earner (death, disability, job loss), catastrophic medical emergencies (critical illness, accident, surgery), natural disaster damage to family property, or other extraordinary circumstances that threaten enrollment continuation. Maximum single grant: Rs. 75,000. Applications are reviewed by the Dean of Student Welfare within 72 hours on an expedited basis. Supporting documentation: death certificate, hospital bills, FIR, or equivalent certifying the event. A student may apply for ESWRF at most twice during their degree programme.

6. Bursar Registration Hold & Fee Governance Policy (Clause 5.2)

Bursar Policy Clause 5.2 — Registration Hold Enforcement: Any student account with unsettled tuition, laboratory, hostel, or library dues past the 45-day census deadline is automatically flagged with an administrative Bursar Hold through DCMP. The Hold blocks: (a) online course pre-registration; (b) official transcript issuance; (c) hall ticket generation for end-semester examinations; (d) degree certificate collection; (e) SIIC seed grant disbursement. Students awaiting confirmed bank education loan disbursement (PM-Vidyalaxmi or NBCFDC) may apply for an Administrative Hold Waiver by submitting a formal bank sanction letter, disbursement timeline confirmation, and signed undertaking to the Bursar's Office. The Bursar reviews waiver applications within 3 working days. Waiver is granted for a maximum of 60 days, after which fees must be settled or the Hold reinstates automatically.

7. PM-Vidyalaxmi & Bank Education Loan Facilitation

The PM-Vidyalaxmi Scheme (launched November 2024, Ministry of Education) provides collateral-free and guarantor-free education loans for students of Quality Higher Education Institutions (QHEIs — NIRF Top-100 or NBA/NAAC-accredited). Key features: (a) loan coverage up to Rs. 10 Lakhs for domestic institutions; (b) 3% interest subvention for families with annual income ≤ Rs. 8 Lakhs for the in-study period; (c) moratorium period of 12 months post-study completion before EMI commencement. Application via the official portal (pmvidyalaxmi.co.in) with Aadhaar-based identity verification and institution verification code.

The University's Financial Services Office maintains a Bank Liaison Cell (BLC) partnering with: State Bank of India (Scholar Loan, up to Rs. 20 Lakhs at MCLR + 1.0%), Canara Bank (Vidya Turant, up to Rs. 20 Lakhs), HDFC Credila (up to Rs. 40 Lakhs, faster approval for premium institutions), PNB Udaan (NBCFDC-backed for backward class students up to Rs. 25 Lakhs at 5% simple interest), and Axis Bank Education Loan. BLC counselors are available Monday–Friday 10 AM–4 PM at the Financial Aid Office (Admin Block, Room 108) and by appointment via the DCMP portal.

8. Corporate Fellowships & CSR Scholarship Partners

Active industry-sponsored fellowships for AY 2025-2026 include: (1) **Google AI Research Fellowship** (4 recipients, full tuition + Rs. 10,000/month stipend, priority Google summer internship placement); (2) **Infosys Foundation STEM Grant** (10 recipients, Rs. 1.5 Lakhs/year, focus on first-generation college students from rural backgrounds); (3) **Qualcomm Wireless Innovation Award** (3 recipients, full tuition waiver + hardware development kit, priority Qualcomm pre-placement interview); (4) **TCS Research Endowment** (6 recipients, Rs. 1 Lakh/year, research co-mentorship by TCS Innovation Labs senior researchers); (5) **Reliance Foundation UG Scholarship** (household income < Rs. 15 Lakhs, financial need + merit combined criterion, Rs. 2 Lakhs/year).

9. Fee Refund, Withdrawal & Tuition Adjustment Regulations

Fee refund requests upon voluntary programme withdrawal or transfer are adjudicated under UGC Fee Refund Regulations 2023: (a) 100% refund (less Rs. 1,000 administrative processing fee) if formal withdrawal notice is received ≥ 15 days before scheduled class commencement; (b) 90% refund if withdrawal is within 0–15 days of commencement; (c) 80% refund if between 16 and 30 days after commencement; (d) 50% refund if between 31 and 60 days; (e) zero refund after the 60-day post-commencement cutoff for discretionary withdrawals. Refunds are processed to the original payment source within 21 working days of the approved withdrawal application.
